

Churchfields

Farm • Ice Cream • Barn

Welcome to Churchfields Barn, our menu is prepared and cooked on site.

We are proud to use our own fresh milk, butter, buttermilk, salt, home reared beef and, of course our award-winning ice-cream!

We try and source local ingredients where we can to support our farming community and local suppliers.

We have daily specials on the board which is located upstairs and also by the till, or please ask a member of our team who will be happy to help you.

We try to accommodate any allergies wherever possible, please inform our staff of any allergies when placing your order.

As our food is freshly prepared to order, this may result in a delay during busy periods and we ask you to bear with us at peak periods.

We respectfully ask that only food purchased at The Barn is consumed on site (with the exception of babies under 12 months)

Please make note of your table number and order at the counter.

Thank you!
