Churchfields Farm cannot accept responsibility for any loss or damage to clothing or belongings. The Party Room/ Cafe Barn is not locked during the party and as such parents are responsible for ensuring belongings are kept safe. Please ensure children are dressed for the weather conditions; we are a working farm. In severe weather conditions alternative activities will be arranged. In this case we still recommend that children bring suitable clothing with them. Please note that the party host is there to assist and that children will need to be supervised by responsible adults at all times. All children are required to use the hand wash station; this must be done under the supervision of a Church- fields team member. You are more than welcome to bring your own decorations but only 'blue tac' can be used to fix them to the walls. The Party Room/ Barn Cafe will be available for you to set up no earlier than 30 minutes before the start of the party. During busy times we do have multiple parties and we would kindly ask for a swift exit from the party room or Barn Cafe for it to be cleaned and ready for the next party, but we do invite you and your party into the main cafe after your party has finished. Please sign below if you agree to the terms and conditions. Thank-you
